The annual and special assessments, together with interest, costs, and reasonable attorney's fees, shall be a charge on the land and shall be a continuing lien upon the property against which each such assessment is made. Each such assessment, together with interest, costs, and reasonable attorney's fees, shall also be the personal obligation of the person who was the Owner of such property at the time when the assessment fell due. The personal obligation for delinquent assessments shall not pass to his successors in title unless expressly assumed by them. The Declarant shall not be liable for annual assessments or charges for any Lot owned by Declarant during any time at which the Declarant is the owner of Class B membership. At such time Declarant's Class B membership is converted to Class A membership, as provided in Article III, Declarant shall thereafter be liable for annual assessments and charges in the same manner as all other Class A members.

4.2 Purpose of Assessments. The assessments levied by the Association shall be used exclusively to promote the recreation, health, safety, and welfare of the residents in the Properties and for the improvements and maintenance of the Common Area. - (j) In the event the need for exterior maintenance or repair is attributable to the willful or negligent act of the Owner of a Lot, his family, guests, or invitees, the cost of such maintenance or repairs shall be added to and become part of the assessment to which such Lot is subject.
- (k) For the purpose of general community improvements and maintenance for such items as playground equipment, tennis courts, et cetera.
- (l) Any and all charges assessed by Colquitt Electric Membership Corporation or other electricity provider or entity for street lighting within the subdivision. Additionally, due to the fact that the Lots are located within a special lighting district as is more fully explained in Section 5.17 of this Declaration, Association dues may, in the discretion of the Association, be applied against lighting charges for the special lighting district.

4.3 Maximum Annual Assessment. The initial annual assessment shall be One Hundred Twenty-Five Dollars (\$125.00) per Lot (exclusive of any assessment imposed pursuant to Paragraphs 4.02(j) and 4.02(l) above). The maximum annual assessment shall be One Hundred Fifty and 00/100 Dollars (\$150.00) per Lot (exclusive of any assessment imposed pursuant to Paragraphs 4.02(j) and 4.02(l) above). The annual assessment shall be due on January 1 of each year, beginning on January 1, 2014. At the time of a conveyance of a Lot after January 1, 2015, a prorated assessment shall be paid for the remaining portion of the year. Annual assessments may be paid on a monthly or other basis as determined by the Board of Directors of the Association. The maximum annual assessment may be increased each year by not more than ten percent (10%) above the maximum assessment for the previous year without a vote of the membership of the Association. The maximum annual assessment may be increased above ten percent (10%) by a vote of a majority of all votes of all classes of members who are voting in person or by proxy, at a meeting duly called for this purpose. The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

4.4 Special Assessments for Capital Improvements. In addition to the annual assessments authorized above, the Association may levy, in any assessment year, a special assessment applicable to that year only for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon the Common Area, including fixture and personal property related thereto, provided that any such assessment shall have the assent of a majority of all votes of all classes of members who are voting in person or by proxy at a meeting duly called for this purpose.

4.5 Notice and Quorum for Any Action Authorized Under this Sections 4.3 and 4.4. Written notice of any meeting called for the purpose of taking any action authorized under Sections 4.3 or 4.4 of this Declaration shall be sent to all members not less than ten (10) days nor more than fifty (50) days in advance of the meeting. At such meeting, the presence of members or of proxies entitled to cast twenty-five percent (25%) of all the votes of all classes of membership shall constitute a quorum.

4.6 Uniform Rate of Assessment. Both annual and special assessments must be fixed at a uniform rate for all Lots, exclusive of assessments pursuant to 4.02(j).

4.7 Certificate as to Assessments. The Association shall, upon demand by and Lot Owner, and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the assessments on a specified Lot have been paid. A properly executed certificate of the Association as to the status of assessments on a Lot is binding upon the Association as of the date of its insurance.

4.8 Effect of Nonpayment of Assessments; Remedies of the Association. Any assessment not paid within thirty (30) days after the due date shall bear interest from the due date at the rate of eighteen percent (18%) per annum. Additionally, the Association reserves the right to suspend the voting rights of an Owner for any period during which any assessment against his Lot remains unpaid. The Association may bring an action at law against the Owner personally obligated to pay the same, or foreclose the lien against the property. No Owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Area or abandonment of his Lot. No Owner shall convey, sale, or encumber any Lot which has an outstanding assessment, without first satisfying the assessment or paying the same at closing.

4.9 Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage. The sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot pursuant to the mortgage foreclosure or any proceeding in lieu thereof, shall extinguish the lien of such assessments as to payments which become due prior to such sale or transfer. No sale or transfer shall relieve such Lot from liability for any assessments that thereafter become due or from the lien thereof.

One copy of all plans and related data shall be furnished to the appropriate Committee for their records. If the first set of plans is disapproved, a \$25.00 fee will be assessed for the second submission. If the second set of plans is disapproved, a \$50.00 fee must be submitted for each additional submission of plans.
